

Experience, Expertise and Efficiency

FOR OVER A DECADE BTFG HAS BEEN PROVIDING FINANCIAL SERVICES TO U.S. MANUFACTURERS IN THE INTERNATIONAL MARKET.

Accolades

BTFG is currently doing business in more than 80 countries, and has the capability to conduct transactions in nearly every country. Transactions of all sizes can be accommodated by any one of our distinctive finance programs.

One of our clients, a wholly-owned subsidiary of a publicly traded corporation, recently acknowledged BTFG as the principal reason for its dramatic improvement and success in the foreign market. They credit BTFG with an increase in both sales and customer satisfaction in the international market.

BTFG's wide ranging experience has allowed us to offer a variety of financial services and capabilities. For example, we have been designated a primary lender by *The Export-Import Bank of the United States of America*.

Our insight, experience as well as our portfolio funds allows us to handle transactions of all sizes in the foreign market. For example, BTFG recently completed transactions of \$40K in Israel, and \$2MM in Brazil, and now \$650K in South Africa. We can also handle unique equipment that must be customized for buyers. The efficient and effective credit process of BTFG has been structured to facilitate quick closure on your deals.

By offering financing strategies that are tailor-fitted to each client, BTFG is able to:

- Eliminate virtually all risk for US exporters
- Significantly strengthening the balance sheet of manufacturers
- Drive the sales of the manufacturers in the overseas market by offering a unique edge of competitiveness to foreign buyers.

The single source for all your financing needs!
